

Old Receipt from the  
 Jack Carver Funeral Home Cookeville, TN  
 from the funeral of  
 Virgil Timothy Denny –  
 s/o Timothy Denny & Elizabeth “Hettie” Paul  
 \*see Chapters 4 & 5 & the Denny family sheets.

*Example of an old receipt, Nine hundred and eighty dollars and sixty cents, from a funeral home in 1949 to compare with the cost of a funeral in the 21<sup>st</sup> century. Today it could cost you up to ten thousand dollars to cover a funeral & burial lot per person.*

*This was a receipt for the casket, vault, embalming, plastic surgery, other services & the burial lot. I don't believe this covered the cost of the actual funeral service at the Jack Carver Funeral Home. This funeral home is no longer in service.*
