Tombstone reads:

Your gentle face and patient smile with sadness we recall
You had a kindly word for each and died beloved by all.

The voice is mute and stilled the heart, that loved us well and true,
Ah, bitter was the trial to part from one so good as you.
You are not forgotten loved one nor will you ever be.
As long as life and memory last we will remember thee.

We miss you now, our hearts are sore,
As time goes by we miss you more.
No one can fill your vacant place.

I love you always and forever,

"A person never sees all that thier Mother has been to them until it is too late to let her know that they see it."
