Served in WWI, was wounded. After his return from the war he drank heavily to over come the pain from thw war. When drinking he would sing the same song over and over again, "ten thousand Swedes went running through the weeds chasing one Norwegina."

The only time Martha Naoma Denny can remember her Great Uncle speaking of his mother, Frances "Fannie" Ford Denny was when he told the story of going to a neighbors house for supper, the neighbor had made a cake, and Larry kept picking off the icing and eating it. his mother said nothing. However, when they departed the neighbor's home Fannie dragged him by the back of the neck through a plowed field rather than taking the road. When they got home Fannie fired up the stove and baked a cake, she sat Larry down and made him eat cake until he was sick. Larry said from that day forward he never did like chocolate cake.
