

MEDLEY HEADS HEART GROUP
The Putnam County Herald newspaper, Cookeville, TN
Monday, 18 January 1960
Vol. LVII

Martin L. Medley, Jr. has been appointed county chairman of the Tennessee Heart association for 1960. Announcement was made today by Glynn Ellison, area chairman. Jared Maddux is Middle Tennessee chairman and Brig. Gen. Van D. Nunnally, formerly of Baxter is state chairman.

Medley native of Putnam county is associated with his father Luke Medley in radio station WHUB. He received his education at Tennessee Tech and Vanderbilt university.

The new county chairman is member of Presbyterian church, secretary Kiwanis club, publicity chairman American Red Cross blood program and Putnam county civil defense organization. He is married to the former Miss Laura Lowe.

It will be Medley's responsibility to organize and coordinate the efforts of volunteers in Putnam county who will conduct the February campaign for funds.

In addition to these duties Medley will represent the Tennessee Heart association in Putnam county throughout the year in matters pertaining to the Heart association.

In accepting the appointment Medley said. "The American Heart association marked its first decade as a national voluntary health agency two years ago. The association and its affiliates and chapters have channeled a total of \$29,000,000, the highest annual amount since the awards were first made in 1948.

More than 60 percent of the awards are for basic research, the gathering of necessary fundamental knowledge that may have eventual practical application as "the medical weapons of the future." Awards in the field of basic research have been a vital part of the association's research support program since its inception in 1958.
