

This map was drawn using a 1950 General Highway and Transportation Map prepared by the Tennessee State Highway Department. This map will give only the general areas of the 17 Districts of Putnam County in 1880. Other sources should be used for the precise Civil District boundaries.

Note: The names of the districts & the total population of each, were taken from the NINTH & TENTH CENSUS-VOLUME I, The Statistics of the Population of the United States, Washington: Government Printing Office 1872 & 1882, Population of Civil Divisions Less Than Counties, Table III, Page 267 & 337.

* Totals are included in respective district totals.
1870 included for comparison.
