Dear New Member,

We welcome you to membership in the National Society Daughters of the American Revolution. You have chosen to join an organization that represents the largest women's lineage society dedicated to the objectives of patriotism, education and historic preservation.

By establishing your descent from a Patriot of the American Revolution your verified application papers will preserve your heritage and some of the history of your family. We know that you will be proud to join the 170,000 members of our society in honoring the Patriots of the past as well as those who are currently in the forefront of the defense of America's freedom.

In these trying times, the DAR stands firmly behind our motto of: "God, Home and Country". We are pleased that you join us in that endeavor. Together we will meet the challenge of preserving our heritage of freedom into the 21st Century.

Sincerely,

Linda Tinker Watkins
President General 2001-2004

I joined the DAR the 2nd day of July 2002 under the American Patriot, Capt. William Jarret/Jared. He was the son of John Jared the wagonmaker and brother of Joseph Jared who were American Patriots. My National No. is 811361.

See the Story of William Jared in the Jared Family Section – The Book of Jared for the lives of these men. See the American Revolution for documents on William and Joseph Jared. These men fought bravely for the freedom of America during the American Revolution.

Supplements to the DAR for Edward Robinson Sr., Edward Robinson Jr., and William Anderson have been approved

Names of other ancestors of mine that were Patriots are mentioned in the under the file, American Revolution – Ancestors of the American Revolution.

I, Audrey J. Denny Lambert am very proud of my lineage to these men and the brave women they were married to.
