

Location of Hugh Wallace and his wife Nancy Jared graves & tombstones.

Hugh Wallace Cemetery located on Tucker Ridge near Silver Point, on the home place of William J. Wallace (1825 – 1895). The cemetery is located down a dirt road behind the house at 14884 Tucker Ridge Rd., Putnam Co., TN.

You follow the road and you will pass the house that Hugh Wallace and his family lived in. When you get to the cemetery you enter the cemetery through a gate on the first corner of the lot.

When you enter make a left and go to the far left-hand corner of the lot. You will see a large tombstone for McDonald Wallace and his wife Julia Ann Henley wife of McDonald Wallace.

Go past this tombstone and you will find two tombstones located by a large tree and the fence. I am pointing to the tombstones of Hugh Wallace and Nancy Jared.

Their tombstones are very hard to read. After pouring water on the tombstones & carefully cleaning them you could read the dates.

Hugh Wallace: b. 5 November 1798, NC
d. 21 June 1877, TN

Nancy Wallace: b. 8 May 1796, VA
d. 31 July 1873, TN
