William Jared moved from Loudoun Co., VA 13 April 1785 with his father to Bedford Co., VA. In 1792 William was recorded among his family and friends in Bedford Co., VA. He married Elizabeth Raulston, the 22 year old daughter of Matthew Raulston of Bedford, Co., VA. William was 34 years old. To begin the exodus of the Jared family from Virginia, though the Cumberland Gap into Kentucky, Illinois, and Tennessee, William and Elizabeth (Raulston) Jared moved from Bedford Co., VA with their two oldest children, little Moses and baby Patsy, to a tract of land patented to him for his Revolutionary War Service in the year 1796. Their third child, Naoma (Simmons) and the six children following her were born in what is now Putnam Co., TN. He located on Indian Creek, about 2 miles east of Buffalo Valley, Putnam Co., TN. He received a United States land grant of almost one thousand acres. William's land was later owned by John Bell Denny and Mrs. Alice A. Jared. Robert Shanks brought land previously owned by John Bell Denny, s/o Jonothan Denny & Agnes Winfree– Chapter 5.

His father John Jared was a prosperous worker in wood, making wagons, wagon wheels, spinning wheels, looms and such other implements useful to the pioneers of those days. William married Elizabeth Raulston, the sister of Colonel James Raulston of the 2nd Division of the Tennessee Militia, in the War of 1812. Colonel Raulston's picture hangs in the State Capitol Building in Nashville, TN. The William Jared Bible is owned by Martha Ann Sanders of Buffalo Valley, TN. (Col. Raulston's picture was not in the Capitol when I visited in 2001 – was told it could be in storage. Audrey J. Lambert.)
