

Military & Pension Record of Thomas A. Anderson
Compiled by Louis Huston Gill

Reference: Summarized from his Company muster rolls.

On April 10, 1864, Thomas volunteered to join the Union Army at Carthage, TN about 20 miles northwest of his home in the 4th civil District of Putnam Co., Buffalo Valley, TN. He was 21 years old. On May 17th he was 4th Sarg't in Co. H of the 1st Tennessee Reg't of Mounted Infantry. This was after November 1863 when Chattanooga had fallen & before Sherman burned Atlanta. Confederate Gen'l Hood was in Tennessee, facing Union Generals Thomas and Schofield but was defeated at Franklin on November 30, 1864 and at Nashville on, December 15, 1864.

On his last muster roll of May 23, 1865, he was in Nashville, there he was apparently discharged. He hadn't been paid since August 3, 1864.

On June 10, 1978, I received copies of his muster roll. On his muster-out roll, it's noted that he lost a gun sling, canteen & haversack, and his clothing account was never settled.
