Miss Bettie Huddleston, aged 19 years, died at her home near Buffalo Valley, Friday, May 28, after a lingering illness of 10 years. She was a bright and cheerful young lady and all through her illness and suffering she never complained and tried so hard to live. She is survived by four brothers and three sisters and her mother. Her father preceded her in the grave about a month ago. She will be greatly missed by her folks and by all who knew her. She was buried Friday evening in the family burying ground near her home.
