Putnam Co., TN

GPS Coordinates: 36.0903100, -85.5129600

<http://www.ajlambert.com>

Located in the southern portion of Putnam Co. From HWY 136 south toward White Co, turn right on Lovelady Rd (abt 5 miles south of intersection of I-40 and HWY 136. Cemetery is 1-2 miles on Lovelady Rd. Stones are located on both sides of the road. Lovelady Cemetery donated by Nichols family.

Directions to the site are quite easy. If you're coming out of central Cookeville, TN head south on Highway 136 (Jefferson Ave) continue south on past I-40 3 miles until Highway 111 (Old Sparta Rd) joins with Highway 136. Continue south until you reach Lovelady Road in 1 mile. I believe the cemetery is just under 1 mile west on this road on the left just past Johnson Drive or at the intersection of the Drive. There is a very dilapidated sign that has the name of the cemetery there on the left. You see right on the right side of the road a couple of more kept up tombstones, but the largest portion of the cemetery is off on the south side of the road. Findagrave

Located on Lovelady Road off Hwy 11 south of Cookeville. Recorded by Pat Franklin on 18 November 1986. The road changed 50 or more years ago and was cut through the cemetery. Some graves were left across the road. No doubt graves were destroyed at that time. Also, graves have been destroyed at the west end of the cemetery. The old Lovelady school and church stood in the open area in front of the home recently built there. At one time there were graves surrounding the old house at the east and south sides. Those who attended school and church there remember this well. Source: Putnam County Cemeteries by Paton and Gilbert. Pages 336-338.
