Mrs. V. T. Denny, wished to accept invitations to the graduation of a very close friend, who was in the graduating class at Tennessee Tech Friday morning and another at Upperman High Friday night. Being a person who does not let trifles get in her way, she had a pontoon bridge made of a wagon and mules. She spent the Thursday night with her sister in Baxter, **Mrs. Arnold Judd**, Lenoir City, who took her to Tech to the graduation of her daughter and **Mrs. Bob Jones**, Silver Point, who took her to Upperman High at night. Solon was helpless for a few days he was stricken with neuritis and he was at last able to help himself. Will pray that it will be not too long. Love your Elise

Dear Audra I was sorry to hear of your accident hope you are felling better by now. Our old bones are so easy broken I am afraid to sit down too hard since I have had my pelvis broken twice. Do you know how long you have to be in the hospital since you have no one to live with you it will be best the hospital can be a mighty good place if there is no one at home. I will remember you in my prayers. I love you Wincie.

He is in Cookeville Hospital. **Clyde Winchester Boose** preached here at the Presbyterian Church on Sunday.

Had dinner with **Sam & Dimple McCulley** on Sunday, April 11, 1965 and a drive to see the beauties God put here for us to enjoy. Easter, April 18, 1964, **Mrs. J. C. Wood & Mrs. Edgbert Presley** carried me to church and pinned a orchid on me. Thank God for such fine friends. *Dimple (Breeding) McCulley was Audra's son's first grade teacher at Denny's Seminary, Silver Point, TN.*

Hooper and Huddleston five trips in ambulance to Lebanon Hospital. Two months at home, **Minnie Carr** waited on me. Five months with Ollie, my sister, in Lebanon. I had a wonderful time reliving our childhood days, trying to forget the sad things of life. Back home and all seem so dark and strange. God is good.

Source: Letter from Ivan C. Dubois found in scrapbook of **Audra Camilla Anderson Denny**: I'm sure sorry that you had to go through the broken hip stage of life that so many are "enjoying" through no fault of their own. Now the good Lord made us almost perfect and "in his own image" but I didn't read where he broke his hip. Anyway he didn't live to a ripe old age like some of us hope to do. You see there is a little weakness in our bone structure that maybe we have misused, especially since we straightened up on our two legs (Elmo would say limbs) instead of trotting along on all fours like our friendly animals. So sometimes when we step on the little rolling stone or slip or put some undue strain on this weak spot, that's it and we are laid up awhile.

I hope you can visit Mama (*Vida*) in McKendree Manor sometime and see how wonderful that hotel is and you might want to become a neighbor of hers. Elmo says she loves it too. So you'd better just sell that farm or lease it out and buy into McKendree Manor and your worries would be over. Of course if you stay as healthy as your little brother, Grover, you'll never need any help from anyone. That is he looked mighty fine last summer when I saw him in Cookeville.

Grace has cooked up a bunch of fried chicken and stuff and we are headed to help feed a bunch of senior citizens. We don't exactly count our selves as senior citizens but our church calls on us every month to help out with the monthly dinner meeting. Then too I have to show some color slides of a trip we took recently around the Four Corners are of New Mexico, Colorado, Utah, and Arizona and the Indian ruins and cliff dwellings. Hope they enjoy it a little. Our little neighborhood Methodist Church was over 1,400 members and we will have only 60 or so senior citizens for dinner today.

Tell everyone I know Hello and do take care of yourself and I do hope you are soon your active self again with no ill effects.

63 Years ago: Tennessee Tech is about to wrap up its first summer term ever this month, 12 weeks of accelerated training for technical and vocational students needed by the nation to fight a world war. All patriotic merchants in town are being urged this week to attend a meeting in the courthouse this week. Experts from the federal OPA, which governs the nation's wartime price regulation system, will be on hand to detail and explain the latest rules. Meanwhile, a Buffalo Valley man has been awarded a Purple Heart medal. Major Ivan C. DuBois, the son of Mr. and Mrs. E.M. DuBois, won the medal for service at Hickman Field last December when the Japanese attacked Pearl Harbor. (August 4, 1942).

Audra Camilla Anderson Denny liked to entertain guests at her home. “Lets sit now and talk” she would say.

YESTERDAY'S CHARM can be found again in this home over 100 yrs old. On 164 Ac year round creek, appx 50 Ac pasture & crops. \$84,500.

Tim Denny put the home place up for sale. I, for one thought the farm should of stayed in the Denny family but it was sold and no longer remains Denny family property. This was the farm of Virgil Timothy Denny and Audra Camilla Anderson. Virgil's father, Timothy Denny had a farm nearby that was also sold by Tim Denny and no longer remains the property of the Denny family. The house, barns and other structures were torn down and nothing of the original farm remains.

Poem by cousin Leona McKinley about Audra Camilla Anderson Denny

On February 9th not long ago,
A stock was flying high and low,
Finally the Anderson home he found,
So he made his way fast to the ground,
Gently he tapped upon the door,
For he could carry the load no more,
They said "Come in we've ordered a girl",
Then into their laps they placed this pearl,
Today she is a sun beam shining bright,
As a signal to others to turn to the right.

The Best Things in Life-
Patience Strong

The best and sweetest things in life are things you cannot buy;
The music of the birds at dawn, the rainbow in the sky.
The dazzling magic of the stars, the miracle of light,
The precious gifts of health and strength, of hearing, speech, and sight.
The peace of mind that crowns a busy life of work well done,
A faith in God that deepens as you face the setting sun.
The boon of love, the joy of friendship, as the years go by.
You find the greatest blessing are the things you cannot buy.

Come Little Leaves
By George Cooper

"Come little leaves," said the wind one day,
"Come over the meadow with me and play,
Put on your dresses of red and gold,
Summer is gone and the days grow cold."

Soon as the leaves heard the wind's loud call,
Down they came fluttering one and all,
Over the brown fields they danced and flew,
Singing the soft little songs they knew.

Dancing and flying the little leaves went,
Winter had called them and they were content,
Soon fast asleep in their earthly beds,
The snow lay a blanket over their heads.

Cricket, good-by, we have been friends so long,
Little brook, sing us a farewell song,
Say you are not sorry to see us go,
But Oh you will miss us right well we know.

As Autumn brings on the beautiful rich hues of red, brown, and yellow, I think of this poem, "Come Little Leaves" by George Cooper. I memorized this poem when I was a child. Several years ago, interesting poems were in the elementary school books. It was required by the school teacher for pupils to memorize all poems in their readers and language books. Children like to memorize poems. I would like to see more poetry in the school books also in the county paper. Written by Mattie Foutch Wilhite.
