

**I AM SO BUSY**  
By Tammer Jerry "Gus" Denny

Dear Daddy:

Received your letter a few days ago and was so glad to hear that all is going well with you all and back home. I have been trying to get around to writing this but I have been so busy I don't have time to cuss a cat. You don't know how lucky you and mama are in not having nothing to do. Jesse and Jesse Jr. just about drive me crazy with having to clean up and pick up after them.

By the time I clean up this ole dirty house it leaves me with no time at all, something always comes up. Just yesterday I had to go to Walmart and my time was so pushed I hardly had time to shop and look at the neat stuff they have. Times slips by so fast I didn't realize that it would take up two hours of my time just to get out of there.

Jesse's sister stopped by yesterday and my goodness can she talk. I hated to be rude but she stayed and stayed and it nearly broke my heart that I missed the young and restless on TV.

Things here are tight as usual and Jesse and I have talked about me trying to get a job at the sewing room but we both know there is no way as I have so much to do here holding everything together. I hate to put it on him but there is a possibility he could get a second job down at the Zippy Mart till things clear up some.

More than likely we won't be able to come down there next month as we had planned due to all the things there is to do around here. I will try and with the good lord willing maybe the next month things will let up and we can make it.

You all take care of yourself and enjoy not have nothing to do as the lord is my witness I do enough for all of us.

I must close for now as it is about time for the young and the restless. Let us know when you can come and we will let you know if it is OK.

Love, your daughter  
Ida Mae
