Clark, Harvey Bring Music

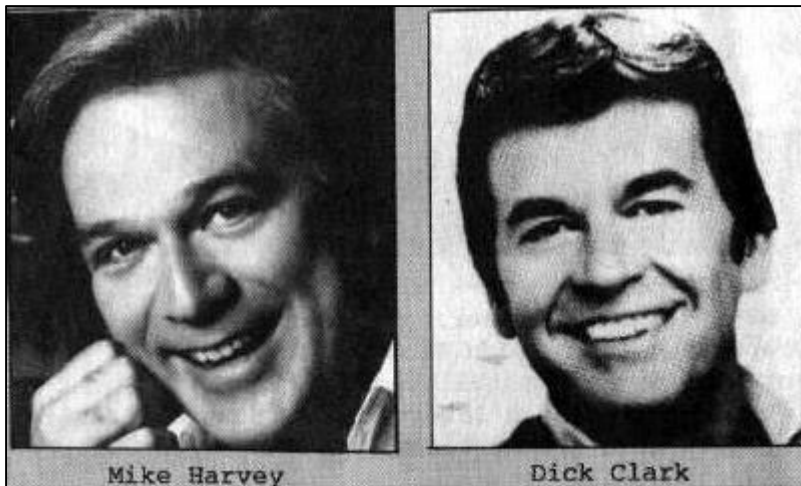

WHUB means entertainment - - especially music - - and in addition to music on both WHUB and WHUB FM daily, weekend specials highlight the station's programming.

Dick Clark's Count-down America features the top 40 hits in America and is aired on Sunday from 2-6 p.m. on WHUB-FM.

If oldies but goodies are your favorites, the Super Gold program on Super Gold features call in requests for the best in older music from the heyday of the rock era.

Thus, listeners can take their picks - - contemporary hits or the best from the old days, all on Countdown America with Dick Clark and with Mike Harvey's Super Gold.
