Features, Hourly News CBS Focus

CBS has a reputation as one of the world's great news-gathering organizations. CBS news on the hour is a quick way to get all the news at a convenient time.

But CBS also features a number of interesting news programs that are short and topical. Examples include Susan Spencer's Health Talk, Doug Poling's Today in Business, and Dateline America with Charles Kuralt.

Other features are Correspondent's Notebook with Judy Muller, Walter Cronkit's Twentieth Century, Dan Rather Reporting, Bill Lynch and the World News Round Up, and Christopher Glynn with The World Tonight.

An important interview program where prominent Washington officials are questioned by Leslie Stahl is Face the Nation.
