Dear Ms. Lambert:

On behalf of the East Tennessee Historical Society, I want to congratulate you on becoming a member of the First Families of Tennessee! Enclosed is your certificate issued by the Society, recognizing your descent from a Tennessee pioneer. We hope you will place it in a prominent place as a fitting way to honor your ancestor.

The material you submitted as proof of your descent is being cataloged and placed in the McClung Historical Collection. There, it will serve as a valuable resource for other genealogists and family historians.

A First Families of Tennessee book has been published and is available for purchase. If you are interested, please let us know and we will send you information on the book.

To ensure that your file is current, please notify us immediately of any address changes.

Again, congratulations on receiving this honor – for yourself and for your ancestor who helped to found this great state of Tennessee.

Sincerely yours,

*Cherel B. Henderson*
