Notes for Thomas JERNIGAN:

From William Spencer Jarnagin's book:

Thomas B Poslingford Manor, Suffolk England. Then to Pentlow Essex Co. Thomas was probably a mariner as a young man, hence he was not called "Gent." Thomas Jernegan the first known Jernigan to come to N. America from England. In 1637 he and sisters Mary and Ellen, their cousin Sea Capt. Thomas Cornwallis, and sea merchant Jerome Hawley landed Cornwallis's ship at southern Maryland with a shipload of people. They returned to England 1638.

Thos. probably married Ann Arlington in England. Thos. continued in the maritime business out of England for 30 yrs. In 1668 Thos. transported himself, wife & 3 sons to Virginia. Sons were Thos., Henry, John & one dau. Margaret, born in VA & probably m. Wm. Moore Jr., land abutter in VA at Somerton.

From "Historical Southern Families, Vol. IV" by John Bennett Boddie: Thomas Jernigan granted 250 acres several miles south of Suffolk in the "County of Nanzemund at a place called Somerton" on 5-18-1668. At the session of the General Assembly of VA which met in Nov. of 1682, he was awarded payments in tobacco, assessed against Nansemond Co. "for carrying publique letters into Carolina." On April 20, 1685, as Thomas Jernigan, Sr., he patented an additional 330 ac. "at Somerton in the upper parish of Nansemond." On the Nansemond Quit Rent Roll of 1704 he was listed as holder of 165 acres, probably by that time having given all his land except his manor plantation to his son and heir of the same name.

Trained his sons in the maritime business.

Suffolk VA area's first courthouse was built 1723 at JARNIGAN BRIDGE (bridge built well before 1696, when it is mentioned in Suffolk vestry records as in bad repair). Jarnagin Bridge was on Pitchkettle Rd. WS Suffolk at the Spillway of Lake Cahoon. The courthouse was moved into Suffolk 1750, according to a bronze plaque in the new building. Fire from accidentally ignited carpentry shavings destroyed most of the records, leaving much uncertainty in the genealogy of early settlers, including Jernegans.

Notes for Ann Arlington:

Probably descendant of Sir Giles Arlington of Horsheath, Cambridge County (Suffolk Manorial Families). Sir Giles Arlington was probably an ancestor to the Arlington who had land adjacent to Thomas Jernegan, VA 1668 and his dau Ann Arlington married to Thomas.

1. Thomas Jernigan, born in England ca. 1614. Emigrated to Virginia 1635 by way of Bermuda.

Thomas (1) Jernigan, aged 21, was one of 129 persons who were examined at Gravesend, England, on June 10, 1635, "by the Minister of Gravesend, concerning their conformitie to the orders and discipline of the Church of England, as it now stands established, and took the oath of allegiance, "and were permitted to sail for Bermuda aboard the ship Truelove of London; Robert Dennis, Master. (Hotten, "Original Lists," page 87.)

In Virginia, in 1668, he received a land grant of 250 acres in Nansemond County, at a place called Somerton, adjoining the lands of Aylington and William Moore. (Land Patents in Virginia, 1666-1669, vol. 6, p. 146.)

The Journal of the House of Burgesses of Virginia, vol. 6, p. 173, records that: "Att a General Assembly began att James City the 10th day November 1682 these Following orders of publique charge and levy were made..Nansemond county. To Thomas Jernigan for carrying a letter to Carolina, 432 (lbs. Tobacco)."

Nansemond County, Virginia, was out off from Warrosquecke County in 1639 and First called Upper Norfolk, and since 1645 called Nansemond. Reference: St. John's Church, Nansemond County, Virginia. The first Court House was located a few miles From Suffolf On "Jarnagan's Pond". A Brass Plaque, attesting to this fact, has been Appropriately placed on the Nansemond County Court House in Suffolk Virginia.

The Virginia Magazine of History and Biography, vol. 29, p.411, records " Ye Complete list of ye-Rent Roll of ye land in Nansemond County 1704: Thomas Jarnegan 165 acres; Thomas Jarnegan, Jun., 600 acres; Henry Jernegan, 200 Acres; Thomas Jernegan, Jr., 135 acres".

She died Unknown. He married (3) SARAH Bef. 1816. She was born ca. 1778 in Wayne Co., NC, and died 1860 in died (post "before") NC.

Notes for KEDAR JERNIGAN:

Kedar Jernigan md 3 times possibly four. Elizabeth died soon after the birth of her 2nd child, then Kedar married the latter part of that year, possibly November or December. Kedar is recorded in Wayne Co., NC census 1800, 1810, 1820, 1830 & 1840. When calculating date of birth using all of the census records of Wayne Co., NC it would appear that Kedar was born about 1772-74. There were several other children, but we do not know their names at this time. Denning or Denison - b. ca. 1830; Burrell - b. ca. 1824/5; J. Patrick - b. ca. 1836; George Washington - b. ca. 1816 & Easter Jernigan - b. ca. 1832. Kedar made his Will in 1844 in Wayne Co., NC naming Bright, Patrick and four daughters, stating that they were minors. He had older children who were not mentioned in his will, but we think that his chief concern was for the welfare of his minor children who were not old enough to care for themselves, therefore, only the minors were remembered. Records indicate that Kedar had given most of his property to his children by the first two wives, so very little remained for the widow and minors. Legend is that the widow sold the property and moved with her family to Georgia or Tennessee. In the 1850 census of Bedford Co., TN, Wiley Jernigan age 34 was head of the household that contained: Sarah Jernigan, 55; Easter Jernigan 18; Bright Jernigan, 16; Patrick Jernigan, 14; Zilpha Wayne Jernigan, 11; and Washington Jernigan, 34 all born in NC.

The other two daughter of Kedar Jernigan, mentioned in his Will, had probably married and moved away, or died young. Next door to Wiley Jernigan, lived Denison Jernigan, aged 26 born in NC. Wiley was married about 1858 or 1860, Sarah, along with Easter and Patrick, were living with Burrell Jernigan who was listed as 36 years old, born in NC. Next door lived J.P. Jernigan, aged 27 born in NC with a wife Jane; then T.B. Jernigan, aged 27, born in NC and next was Denison Jernigan, aged 38, born in NC. We believe that all of

these people belonged to the same family and were children of Kedar Jernigan. Although we wonder why he would have two sons named Patrick.

Census records of Wayne Co., NC from 1800 to 1840 list 27 children in the household of Kedar Jernigan. Just how many of those were his by various wives, we do not know. However, we do know about the ones by the first two wives, and some of the later ones. Franklin Pierce Jernigan, a Methodist Minister, and a son of Wiley Jernigan, visited our home several times, and he stated that Kedar Jernigan was his grandfather. Therefore, we know that Wiley was among the 27 children listed in the household of Kedar Jernigan of Wayne Co., NC.

C. P. "Charlie" Jernigan, 67, of Double Springs died Tuesday afternoon after a brief case of pneumonia.

Funeral services were held at the home Wednesday afternoon, at three o'clock with Rev. Dean Stroud and Rev. J. Bonhemeyer conducting the services. Burial took place in the Double Springs cemetery.

Mr. Jernigan traveled throughout this territory for 30 years as a salesman for Phillips and Buttroff, a well known Nashville firm.

For the last six years he has been engaged in farming on his farm near Double Springs. He was chairman of

the corn-hog production control for the last two years and has been very active in this work. He was a Mason and Odd Fellow and a member of the Methodist church.

He is survived by his wife, Mrs. Vola Shaw Jernigan, one son, Baxter Jernigan, and four grandchildren.

In his young manhood, Charlie Jernigan taught in the public schools of this county. Later he was engaged for several years in the mercantile business at Brotherton and Poplar Grove.

He served for several years as a member of the County court.

He disposed of his stores at Brotherton and Poplar Grove and became a traveling salesman, and for many years was one of the most widely known salesmen in the Upper Cumberland section of the state.

After retiring from the road, he was engaged in the mercantile business at Double Springs until recently.

He was a successful farmer and took a great deal of interest in the management of his farm.

His death came as a great shock to his friends throughout this county. It was not generally known that he had pneumonia.

He was one of the best known citizens of this county and was held in the highest esteem by our people.

For several years he was a resident of Cookeville and was always deeply interested in all that pertained to the welfare of this city.

Since his young manhood he had been one of the active and influential leaders in the democratic party in this county and section and was always a public spirited and progressive citizen and a staunch friend of education, good roads and all that pertained to the upbuilding and development of our county. His death marks the passing of one of this county's best citizens and brings sorrow to a host of relatives and friends.

Shoots Self In Hip In Attempt To Draw Pistol:

Aged Putnam And Jackson Counties Argue Over Taxes: Both Shot: May File Warrants:

Charlie Jernigan, 60, farmer, and a former Double Springs filling station operator, is suffering wounds received near his home at Double Springs last Friday afternoon when he shot himself in an effort to pull a .41 derringer pistol from his hip pocket in an alleged attempt to fire on Jim Godsey, 70.

The pistol fired while he was grouping for it, Double Springs residents said, and the bullet lodged in the center of his hip. He was brought to the City Hospital here, where he was treated. The bullet was not extricated.

Baxter Jernigan, son of the self injured man, and Jim Godsey, 70, of Jackson county, were involved in the shooting, the younger Jernigan firing a .12 gauge shotgun, supposedly at Godsey, the shot of which struck a car owned by Rufe Flatt, 40, also of Jackson county, and glanced into Godsey's back.

Mixed Report: According to information given out at Double Springs, Godsey and Jernigan had an argument over some taxes.

Sheriff Hubert Crawford, who is making an investigation of the case, declared that Godsey got mad at Jernigan after Jernigan had sued him. He went to Jernigan's home, according to the sheriff, intent on killing Jernigan.

Baxter Jernigan, who operates a garage at Double Springs, fired next, the load from his shot glancing from the Flatt roadster and striking Godsey in the back; Godsey was taken to the Millis Hospital near Baxter for treatment.

Neither of the men was seriously wounded.

Godsey had been drinking, Sheriff Crawford said. He lives in Jackson county, ten miles from Double Springs.

Sheriff Crawford said that warrants would probably be taken for the arrest of Godsey this week. He did not state on what grounds they would be based.

Budd was generation #8-17 in the book Jernigan Reunion. He was a son of Lewis Jernigan (1797-1885) and Harriet Lee (1807-1885) and the second of their 16 children.

Budd was a large landowner in Sampson Co. and a member of the Primitive Baptist church. His homeplace, where he died, was near the family cemetery.

He married three times. Before 1846, he married Media "Medie" Lassiter (ca. 1828-ca. 1846), who died in childbirth. On Nov. 1, 1848, in Johnston Co., he married Sallie/Sally Wright Adams (1821-1866). On Apr. 29, 1867, he married Elizabeth Jane "Lizzie Jane" Herring (ca. 1844-1907). With them he had 20 children altogether, of whom 13 were living at his death in 1902.

His children are believed to be as follows. With Media: (1) an infant son who died after birth ca. 1846.

With Sallie: (2) Richard B. Jernigan (1851-?, drowned as a small child). (3) William James Jernigan (1852-1935). (4) Media Jernigan (1854-?). (5) Lewis Pearce Jernigan (1856-1931). (6) Rufus A. (11) an unnamed child who presumably died young.

Shoots Self In Hip In Attempt To Draw Pistol:

Aged Putnam And Jackson Countains Argue Over Taxes: Both Shot: May File Warrants:

Charlie Jernigan, 60, farmer, and a former Double Springs filling station operator, is suffering wounds received near his home at Double Springs last Friday afternoon when he shot himself in an effort to pull a .41 derringer pistol from his hip pocket in an alleged attempt to fire on Jim Godsey, 70.

The pistol fired while he was grouping for it, Double Springs residents said, and the bullet lodged in the center of his hip. He was brought to the City Hospital here, where he was treated. The bullet was not extricated.

Baxter Jernigan, son of the self injured man, and Jim Godsey; 70, of Jackson county, were involved in the shooting, the younger Jernigan firing a .12 gauge shotgun, supposedly at Godsey, the shot of which struck a car owned by Rufe Flatt, 40, also of Jackson county, and glanced into Godsey's back.

Mixed Report: According to information given out at Double Springs, Godsey and Jernigan had an argument over some taxes.

Sheriff Hubert Crawford, who is making an investigation of the case, declared that Godsey got mad at Jernigan after Jernigan had sued him. He went to Jernigan's home, according to the sheriff, intent on killing Jernigan.

Baxter Jernigan, who operates a garage at Double Springs, fired next, the load from his shot glancing from the Flatt roadster and striking Godsey in the back; Godsey was taken to the Millis Hospital near Baxter for treatment.

Neither of the men was seriously wounded.

Godsey had been drinking, Sheriff Crawford said. He lives in Jackson county, ten miles from Double Springs.

Sheriff Crawford said that warrants would probably be taken for the arrest of Godsey this week. He did not state on what grounds they would be based.

Notes for ELVA ESTELLE JERNIGAN:

Jernigan, Elva: TAKES HER OWN LIFE - One of the saddest tragedies ever occurring in Putnam county happened last Friday, when Miss Elva Jernigan took her own life. She was the daughter of Mr. and Mrs. Chas. P. Jernigan, who live near Double Springs. Her father was away on a trip and her mother spent Friday with a neighbor. Coming home about supper time she missed Elva, but thought she was at some neighbors. The girl did not come home during the night, and early Saturday morning her dead body was found hanging in the loft of the barn at her home. The alarm was given and soon a crowd assembled. The body was taken down and an inquest held by a justice of the peace summoning a jury, whose verdict was that the girl came to her death by her own hands. The act was probably done sometime Friday afternoon or early night. There were no marks on the body or any evidence of a struggle. Elva Jernigan was about 19 years old, a lovable, sweet-natured girl, admired by all who knew her. She was planning to attend the new state school in Cookeville this fall, and apparently was in good health and the best of good spirit. No cause is known for her fatal action. The cutting off of her young life has cast a gloom over the entire section, and the people sincerely sympathize with the grief-stricken family. Notes for EDNA VIRGA "VERGIE" JERNIGAN:

Vergie's husband left her when Jerry was a baby and she did not know where he was. Later when he was probably about 70 or 75 years old he appeared in Chattanooga and wanted her to take him back. At the time he was sick, she would not do so. She was a very hard person to be around as she could really get one told off in no uncertain terms. Virga was epileptic and the form it took was strange. One could be sitting in a room with her and all at once she would decide to call someone and forget you were there or she might just fold her arms and stare. They lived in Chattanooga, TN. DEPUTY SHERRIFF LOFTIS SHOT, MAY DIE

Putnam County Herald, Cookeville, Tennessee

Volume XXXII - Number 37

September 20, 1934

HOMER ROBERTS, 43, HELD HERE PENDING OUTCOME OF ACTION

Fired Through Door When He Thought Neighbors Intended "Harm"

WERE SEEKING FUGITIVE

BULLETIN

Deputy Sheriff Otis Loftis, was reported improved at the City Hospital this morning. No operation had been performed as this edition went to press.

Deputy Sheriff Otis Loftis, is in the City Hospital with a bare chance for his life after being shot late Tuesday by Homer Roberts, 43, Sixteenth District farmer, at Roberts' home.

Loftis and Deputy Sheriff Charlie Norton had gone to the district with a capias for Oakley Herren, 29, on a bond forfeiture following indictment by the Grand Jury on charges of housebreaking and larceny, and receiving stolen property. According to Norton, he and Loftis drove up to Roberts' home to ask where Herren lived.

Loftis knocked on the door, he said, and gave his name and told his business. His shout was answered with a shot, Norton said, and Loftis crumpled to the porch floor. Norton rushed him to the hospital.

Roberts surrendered Wednesday morning to Deputy Sheriff Jess Rice, who brought him to jail here. After questioning by Attorney General, John Mitchell, Roberts was ordered held pending further developments in Loftis' condition.

USED HEAVY SHOTGUN

Roberts fired through the front door of his house with a 12 gauge shotgun. The discharge entered Loftis' stomach. Attending physicians did not operate Tuesday night because of severe shock suffered by Loftis.

HAD HAD TROUBLE BEFORE

Roberts, according to Deputy Sheriff Collie Jared, claimed that he did not know who the persons were who stepped on his porch, but he thought they were neighbors who intended to do him bodily harm. He said he had had trouble before over houses and that one of his houses had been burned. He had previously told Magistrate A.W. Maxwell that he called to see who was at his door and that no one answered. Squire Maxwell said Roberts told him he thought somebody was trying to break into his house and that he fired.

Loftis has been a Deputy Sheriff under Sheriff Alex Burton for about two years, and lives with his family at Double Springs. He has a wife, four children, a mother, three, brothers and three sisters.

It was indicated yesterday that a temporary charge of assault with intent to commit murder in the first degree would be filed against Roberts, and in the event of Loftis' death a new charge of murder would be place against him. No action by the Grand Jury was taken yesterday.

Roberts was arrested by Loftis and other officers last year on charges of possessing liquor, General John Mitchell said yesterday. The whisky was of low alcoholic content and no indictment was brought by the Grand Jury, he said.

INDICTMENT OF MURDER BROUGHT AGAINST ROBERTS

Deputy Sheriff Loftis Dies Of Shotgun Wounds in Stomach, Buried Monday

AFTER ANOTHER PERSON

Putnam County Herald, Cookeville, TN - Thursday, 27 September 1934

Volume XXXII - Number 38

Indictment charging first degree murder was brought by the Grand Jury Tuesday against Homer Roberts, 48. Sixteenth District farmer, in the fatal shooting of Otis Loftis, 30, Deputy Sheriff, who died in the City Hospital Sunday afternoon.

Loftis was shot by Roberts at Roberts' home on the night of September 18, as he and another Deputy, Charlie Norton, were seeking Oakley Herren, 29 on a capias for bond forfeiture and a charge of housebreaking and larceny.

Loftis' stomach was riddled with pellets from a 12 gauge shotgun admittedly fired by Roberts through the front door of his home as the officer sought to learn from him where Herren lived. Roberts declared under questioning at the jail that he thought Loftis an intruder, and that he fired to protect his home. Deputy Norton however, who sat in the officers' car at the side of the road while Loftis went to the house, said that Loftis shouted his name and that he was hunting Herren, and that Roberts fired without answering. He also said that Roberts asked his wife for another shell to kill the other officer.

Surrendered Next Day

Roberts surrendered next day to Deputy Sam McCulley, and was lodged in jail on a preliminary charge of assault with intent to commit murder in the first degree. He made bond on that charge and was rearrested on the murder charge. Some disposition will probably be made during the present term of criminal court.

Funeral services for Loftis who had been a Deputy under Sheriff Alex Burton for a little more than two years, were conducted at his home at Double Springs Monday afternoon by Elder John W. Fox, minister of the

Gainesboro Church of Christ. Burial took place in the Smellage Cemetery, at Boma.

Loftis is survived by his wife, Avo Jernigan Loftis; four children, Johnnie 7, Jack, Geraldine, and Audrey, five months. His mother Mrs. Clara Loftis and three brothers Leo, Clyde, and Clarence and three sisters, Dona Lee, Lola B. and Lona also survive.

daughter of HENRY WHITAKER and NELLIE CLOUSE. She was born Private.

PEEWEE VALLEY, Ky. — Funeral services will be held for Floyd Levi Jernigan, 84, of Peewee, Ky., at 2 p.m. today, Monday, Dec. 19, with Rev. Jim Powell officiating and Bro. Alan Fryrear reading scripture, at Schur Funeral Home in Peewee Valley, Ky. The burial is Tuesday, Dec. 20, at 2 p.m. at West Cemetery in Cookeville, Tenn., with Rev. Russell Flatt presiding.

Visitation is Monday, Dec. 19 from 12-2 p.m. at Schur Funeral Home, Peewee Valley, Ky.

Floyd Levi Jernigan Sr. passed away Tuesday, Dec. 13, 2016, at Friendship Manor Nursing Home, Peewee Valley, Ky.

He was born Oct. 31, 1932, in Livingston, Tenn., the son of the late Maude Lee (Eldridge) and Luther Pleas Jernigan Sr.

He graduated from Livingston Academy in 1950. He attended Tennessee Polytechnic Institute (Tennessee Tech University), where he met Blanche Willodene Whitaker. They were married March 18, 1954.

He graduated from Tennessee Tech in August 1954, with a bachelor of science in industrial management. He served in the U.S. Army, completing his active duty in the Southeastern Signal School, Fort Gordon, Ga., as a 1st Lt. He then served in the Army Reserve.

In 1957, he became an account executive at Burroughs Corporation (now Unisys). In 1968, he joined Southern Federal Savings and Loan as managing director and vice president, a position he held until he retired in 1980.

From 1981 through 2011, Floyd worked as a consultant to financial institutions, serving as an expert witness in more than 25 different legal actions for various financial firms and government entities. He worked with 39 different clients across the country as a specialist in mergers and acquisitions, fraud investigation and claims recovery, lender liability, and data processing.

He also worked as a computer consultant, doing installs for multiple cities and businesses and operated Jernigan and Son, a framing and art business.

Locally, he will be well remembered as a hot air balloon pilot. A broken nose during a high school football game left him unable to pass a physical to be a pilot, so he instead acquired a hot air balloon commercial pilot's license, becoming the first balloonist in Jefferson County, the seventh in the state (at the time), and one of just 300 nationally. Floyd flew his balloon, dubbed "The American Spirit," in major events across the country, including the Kentucky Derby Balloon Race (1974-1980), the Kentucky Sport Aviation Weekend, the Great Forest Park Balloon Race in St. Louis, the U.S. Air Force Museum Race, the Middle Tennessee Balloon Bash, and the national championships in Indianola, Iowa in 1976. He won the Kentucky Balloon Championship in 1978. He also created, organized and flew in the First Annual Peewee Valley Rally in 1978, Kentucky's first point-to-point balloon race, an event that continued for the next decade. He passed along his love of balloon flight by tutoring other area balloonists.

Other passions included scouting (he acquired his Eagle rank in 1948 and later served as an adult leader and advisor, receiving the Old Kentucky Home Council BSA President's Award for outstanding service in 1973), genealogy and history.

He received the Minuteman Award, the most prestigious award of The National Society of the Sons of the American Revolution, at the 117th Annual Congress, Sons of the American Revolution, in Williamsburg, Virg., July 9, 2007. Floyd became a life member of the Jamestown Society in 2008, by establishing the family lineage as a burgess and landowner in Jamestown, Va.

He was a member of other boards, and in many, held leadership positions and often earned distinguished service awards, including the Kosair Crippled Children's Hospital, Camp Kavanaugh, the Louisville and Jefferson County Airport Advisory Committee, the Kentucky Balloon Society, National and Kentucky Society of the Sons of the American Revolution, the Kentucky Bureau of Corrections, the Kosair Shrine Temple, the Louisville

Chapter of the American Business Club; the Breakfast Optimist Club of Louisville; and the Kentucky-Indiana Personal Computer Users Group; the South Oldham Lions Club, the Louisville Scottish Rite Temple, the American Legion, and the Kentucky Chapter 134 of the National Sojourners.

He was a lifelong church member, first at St. Mark, then was instrumental in establishing Watkins United Methodist Church, before he and Blanche transferred membership to Crestwood United Methodist Church.

Survivors include his wife of 62 years, Blanche, of Pewee Valley; a sister, Christine Hatch, of Farmington, Conn.; a son, Floyd Levi Jernigan Jr. and wife Barbara of Rolla, Mo., grandchildren Holly, Kyle, Floyd III, and Amy Jernigan of Rolla, Mo.; step-grandchildren Marc Hudson and wife Stacey of Gallatin, Tenn., Jay Soldi and wife Tish of Peru, Ind., David Soldi of Peru, Ind., and Ann James and husband Clint, of Meridian, Idaho.

Floyd was preceded in death by his parents; brothers Luther Pleas (L.P.) Jernigan Jr., Henry Jernigan, and Donald Jernigan, sisters Ruth Clarke, Nola Mae Needham, Velma Burroughs, Lucille Jernigan, and Anna Edith Andrews.

ATOMIC BOMB IS DROPPED ON HIROSHIMA

On this day in 1945, at 8:16 a.m. Japanese time, an American B-29 bomber, the Enola Gay, drops the world's first atom bomb, over the city of Hiroshima. Approximately 80,000 people are killed as a direct result of the blast, and another 35,000 are injured. At least another 60,000 would be dead by the end of the year from the effects of the fallout.

U.S. President Harry S. Truman, discouraged by the Japanese response to the Potsdam Conference's demand for unconditional surrender, made the decision to use the atom bomb to end the war in order to prevent what he predicted would be a much greater loss of life were the United States to invade the Japanese mainland. And so on August 5, while a "conventional" bombing of Japan was underway, "Little Boy," (the nickname for one of two atom bombs available for use against Japan), was loaded onto Lt. Col. Paul W. Tibbets' plane on Tinian Island in the Marianas. Tibbets' B-29, named the Enola Gay after his mother, left the island at 2:45 a.m. on August 6. Five and a half hours later, "Little Boy" was dropped, exploding 1,900 feet over a hospital and unleashing the equivalent of 12,500 tons of TNT. The bomb had several inscriptions scribbled on its shell, one of which read "Greetings to the Emperor from the men of the Indianapolis" (the ship that transported the bomb to the Marianas).

There were 90,000 buildings in Hiroshima before the bomb was dropped; only 28,000 remained after the bombing. Of the city's 200 doctors before the explosion; only 20 were left alive or capable of working. There were 1,780 nurses before-only 150 remained who were able to tend to the sick and dying.

According to John Hersey's classic work Hiroshima, the Hiroshima city government had put hundreds of schoolgirls to work clearing fire lanes in the event of incendiary bomb attacks. They were out in the open when the Enola Gay dropped its load.

There were so many spontaneous fires set as a result of the bomb that a crewman of the Enola Gay stopped trying to count them. Another crewman remarked, "It's pretty terrific. What a relief it worked."

*My father Tim Denny's funerals was held on Monday the 6th August 2001. Family history states that Tim Denny serviced the Enola Gay when he was a airplane mechanic.

Honoring my father Tim Denny (1923-2001), Cpl US Army Air Forces WWII.

Blount County Children's Home has rich past

By Joel Davis | joeld@thedailytimes.com Jun 16, 2012 1

The story of Blount County Children's Home is a tapestry of the lives of all the children who once called it home.

The history of the Children's Home dates back to 1885 when a group of women involved in the Women's Christian Temperance Union movement began discussing the need for a home for children and destitute mothers. The women went door to door across the county, asking each family to donate 10 cents to establish the home.

First named the Blount County Industrial Home, the home opened Feb. 15, 1894, at a residence on Cunningham Street. The home received its state charter in July 1894. Those whose names appear on the charter are Mrs. Joseph Burger, Mrs. Martha A. Lamar, Mrs. Sarah Stanley, Mrs. Elizabeth Huddleston and Miss Phronia Small.

The operation was still officially the Blount County Industrial Home when several children and matrons — the adults who supervised the children, — moved to a rambling two-story wood frame farmhouse on the Henry farm. The farmhouse would be replaced with the present building, which opened on the same property in 1966.

Tony Arwood, 72, now a Texas resident, lived at the Children's Home for about a year, starting in 1946, after he and his two brothers were abandoned by their father. Arwood grew emotional when asked about his time there.

"It was a wonderful place," he said. "I never was treated as wonderfully in my life. I learned many things as a young boy there. Mrs. (Icie) McCampbell was like my mother. We always had a great deal of respect for her when she spoke to us. She always spoke to us like her children."

Gave 44 years

McCampbell became a matron in July 1921. She gave 44 years to Blount County's children in need of support and guidance, continuing to assist J.F and Myrtle Tilley, who became houseparents in 1952. Both Tilleys had been residents at the home during the 1930s.

"Mrs. McCampbell was one of the icons of my life," Arwood said. "She gave me Christian values and doing your best under any circumstances that you're in. She was the sweetest woman I ever knew."

During the years at the farmhouse, the children helped raise chickens for both eggs and meat, cows for milk and meat, pigs and rabbits. They also tended a large garden, then canned vegetables from the garden and fruit from trees on the 86-acre farm. The current facility still occupies just over 9 acres of the original Henry farm.

"We all had duties in the orphanage. I helped feed the chickens and pigs and helped do gardening," Arwood said. "Me and my other brother next to me, we helped with milking cows. We did the manly things, the boys did. I had one younger brother who was too small. The girls in the orphanage looked over him like their little brother. The girls did all the cooking. We always had good food. Mrs. McCampbell was a great cook and so were the girls who were there."

Those were good days for Arwood, he said. "We went to church every Sunday, and the older guys, we walked to church. It was the Methodist church in Maryville, we would walk from the farm, and Mrs. McCampbell would put the little children in her old Ford and drive them to church. Mrs. McCampbell was a very Christian lady. She taught all of us Christian ethics."

The 70-or-so children living at the home during Arwood's time there grew very close, he said. "After being there for a while, we grew like one family. We became like brothers and sisters."

Name changed

In 1955, the Board of Directors changed the name of the facility to the Blount County Children's Home. A new facility was completed in 1966. It was built and furnished through donations and contributions from the community.

Jenness Drake, who now lives in Atlanta, lived at the Children's home from 1984 to 1986. "It was good. We tend to get along and the house parents were fine. Even the troublesome kids got along with the good kids."

The Children's Home helped Drake tremendously, she said. "I felt like I had a family for the first time. It if wasn't for the Children's Home, I don't know where I'd be right now. I probably wouldn't have gotten very far. I went to college, joined the military, got a good job, and I have my own home. I have a stable life."

Candy Long, now a Knoxville resident, lived at the Children's Home for four years starting in January 1981. Ask about her time there, and she doesn't mince words. "I hated it," she said.

Looking back, though, Long has gained a different perspective. "At the time, you have to remember the stigma of going to an orphanage, but we should have gone there from the get-go. The opportunities that happened to

us, the people we met, the education, I actually had somebody who cared about me there. ... It was a beautiful experience.”

No more children

The Children’s Home has not hosted children since 2003. That’s when it stopped hosting children long-term after children in group homes across the state were moved into foster homes as a result of the Brian A. vs. Sundquist lawsuit. Since that time, it has continued serving the young people of Blount County through a series of other programs.

Arwood hopes it can remain a part of the community. “I really hope that they don’t tear down the orphanage or destroy it. I hope it stays there. I hope that some day it will come back as an orphanage because it has wonderful credentials. It has wonderful history.”

Recently, Arwood came back to visit his old home. “It was very moving,” he said. “It brought back a lot of wonderful memories. Of course, it brought back some bad memories, too, but the memories of the home have always been beautiful. It’s like you always know you have a place to go. You always seem to know you have a family there someplace, even though we can’t find each other because we’ve gone in different directions. Somewhere in your mind you know that you have a family there.

Eulogy for Joyce (Burns) Loftis
13 June 2018
By Mark Wilson

Joyce Marie (Burns) Loftis was born in Maryville Tennessee on March 30, 1931. She married Jack in Tennessee on February 12, 1951. Jack passed away in January 2002 after 50 years of marriage.

Jack and Joyce had three sons, Gary (his wife Vicki), Dale (his wife Melissa) and Jeffery (his wife Kathleen).

Shortly after Jack and Joyce were married they moved to Michigan, where they settled down and raised their family. They were baptized and started their service to the church. Jack served as an elder at the East Detroit Church of Christ and later at Northeast, and Joyce would hang out with the other elders wives after services sometimes while the guys had a "short" meeting.

Joyce never drove a car or had a job outside of the home. But, if you wanted a room painted, a meal cooked, or a garden planted, Joyce was the one who could do all of that - and much more. Her focus and her love were taking care of her husband and her boys in her own special way. And that love later extended to her daughters-in-law and her grandchildren.

Sundays would most likely include putting an English cut roast with all the trimmings in the oven before heading to church. After the family ate together, Joyce & Jack would sometimes head out for a drive, leaving Gary to clean up.

Most family memories of Joyce involved family and food.

Joyce loved both her family and showed great affection towards the little ones at church. Jay and Brenda Ingram remembered dropping off their son, Kenneth, along with his box of Fruity Pebbles, knowing that he was in good hands with Joyce while Brenda went to work at Northeast Church of Christ.

Gary remembers when Jack and Joyce first brought Jeffery home from the hospital. Dale and Gary thought it was funny to call him JEFF-EEE. Joyce didn't find it as funny and quickly corrected the boys saying, "His name is JEFF-REE.

There are many, many, other stories about how Joyce would need to correct her boys throughout the years, but we will skip all those stories today and move on.

Melissa and Joyce would take turns cooking dinner. Some of her favorite foods were fried chicken and pumpkin bread. Vicki has fond memories of Joyce's cornbread stuffing, homemade pizza, strawberry jello salad

and leftover turkey sandwiches after Thanksgiving.
