**Source:** Putnam Co., TN: I have just a few words to say to the people in Putnam County in regard to the way I was treated September 22. Some people think the Army is worse than prison, but it is not that way. We are all having a good time and are treated as well as if we were at home. There is a good time here for everybody if you want to do right and not always be running away. All of you girls in Tennessee remember the boy they call Travis Bartlett and drop him a care once in a while. That is what makes me happy. I am still living a Christian life, and will as long as I live.
