Darrell C. Romick, age 93, resided over 50 years in the North Canton home he personally built. The former resident of The Inn at Belden Village passed away Tuesday in the Altercare of Nobles Pond Rehabilitation Center, where he was recovering from a fall.

Born in Adair, Iowa on March 4, 1915, he was a 1937 graduate of the University of Illinois with a bachelor of science degree in engineering physics. He was a retired Aero Physicist for Goodyear Aerospace, retiring in 1977 after over 30 years of service. While working at Goodyear, he worked with the Army's guided-missile projects, which led him to develop the Project METEOR, instrumental in developing space shuttles. Mr. Romick is considered a true space pioneer. During the 1950's, and into the 60's, he was the most well-known American proponent and visionary in space travel.

Following his retirement he was associated with the Siberling estate in Akron, Stan-Hywett, where he succeeded in finding gas on their property, a major event in the costs-conscious maintenance budget of such a property. He attended the Community Christian Church, and was a member of the International Astronautical Federation, The American Rochet Society, the local chapter of Moon Watch.

He was preceded in death by his wife, Irene Romick, a sister, Madeline Romick and brother, Wilbur Romick. Survivors include his daughter, Darra Romick of North Canton and sister, Wilma Price of Dixon, IL. There are three nephews and three nieces also surviving.

To say that he enjoyed a full life is only part of his story... but if you remember his resolve, his determination, and his dedication in all endeavors, you will realize that his biggest success was this: "I did it MY WAY!!"

Funeral services will be conducted Saturday at 11 a.m. in the Reed Funeral Home North Canton Chapel, , 801 Pittsburg Ave. NW., North Canton with Dr. Donald Baird officiating. Burial will be in North Canton Cemetery. Calling hours at the funeral home on Friday evening 6-8 p.m.
