80th ANNIVERSARY HOMECOMING
AND REUNION**

BUFFALO VALLEY SCHOOL REUNION

Former students of Buffalo Valley School and their families assembled October 3, 2009 for an 80th anniversary homecoming and reunion. The three-room schoolhouse was built in 1929 and was used as a school until 1966, when it was closed by consolidation. Now, the building serves as the area's community center, holding the Buffalo Valley Library.
