Saturday July 2, has been set as the date for a “get-together” of old classmates of the former Cookeville City School, the committee announced yesterday.

The affair will be held at the Crawford House at Rice Motor Inn on Burgess Falls exit on I-40, with Mrs. Gladys Crawford, proprietor making special arrangements.

Two years ago the affair was held here and proved to be such a wonderful success that this year is expected to be an even greater get-together, according to members of the committee.

A special effort is being made to contact as many of the former teacher at Old City School as possible, and all those who attended the meeting two years ago are urged to contact as many as possible who were connected with the school in any way.

The dinner will be held at 5 o'clock in the evening and requests for reservations may be sent to Miss Velma Thompson, 536 Douglas St., Cookeville, TN not later than June 30.

“My mother Julia Ensor Dickerson is in two of the pictures. She graduated from City High in 1930 and from Tech in 1934. I believe more than one class attended these reunions. My father taught at Cookeville HS in 1936 and was invited back to that reunion. It was their 50th reunion. He graduated from Tech but attended high school in Gallatin.”
